

The image shows a terminal window titled "Terminal" with a dark background. The prompt is "changhanlee@changhanlee-VirtualBox: ~/opensorce". The user has entered the command "sh lab2-0.sh", and the output is "hello world". The terminal window is part of a desktop environment with a sidebar on the left containing icons for Firefox, a mail client, and a file manager. The top bar shows the date and time as "11월 30 08 : 10".

```
changhanlee@changhanlee-VirtualBox: ~/opensorce$ sh lab2-0.sh
hello world
changhanlee@changhanlee-VirtualBox: ~/opensorce$
```

echo를 통해 hello world를 출력합니다.
